Objective To obtain a challenging position within a news organization. Motivated to learn the organizations core values and bring my experience to a team that is committed to bring the community the news in a way that will help them make better decisions in their lives.

Experience *October 2018 -
Univision Chicago

I moved to Chicago to further my career and joined the new morning newscast “Primera Hora” a 2 hour show (5 – 7am) focused on local news and our community. This was the first morning show in Spanish in the Chicago area. I also anchor the midday show “Edicion Digital”. During these two years in Chicago I was fortunate to win 2 Emmys, one for news specialty report in 2019 and one more for program host in 2020.

*August 2013 – August 2017
Telemundo 60 KVDA – San Antonio, TX
News Anchor*

As the main news anchor for Telemundo I had the privilege to bring the news to our community in a way they can relate. I wrote and helped gather information for our 4:30, 5 and 10pm news casts. During sweeps I schedule interviews, wrote and edit my own packages. I understand the importance of communicating with every team member to minimize errors; however I’m always ready for on the spot changes and ad living when necessary. I have to admit live interviews and breaking news are what I enjoy the most.

As an Operations Manager and On Air Personality, my responsibilities involved producing a news morning show (7-8am), with the most relevant local and international information and sports, assisting our General Manager in day to day activities such as: organizing commercial logs, keep track of sales, bring new advertisers, establish strategic trades, and promote Radio Formula as the only “Spanish Talk” format in San Antonio catering to Mexican Nationals.
